Hi-Brows £20.00
 Hi Brows is a high-precision procedure that transforms your eyebrows into their perfect shape, dramatically enhancing your facial features.

Brow Lamination £36.00
 Brow lamination can change the direction of growth to create a more uniform look with a higher arch and a more desirable brow shape. The hairs are lifted and fixed into place using serums and a brow lamination tool. Brow lamination will last from around 4-6 weeks, making it a great long-lasting treatment.

Ellebana Lash Lift £36.00
 The Lash Lift is a semi-permanent treatment that gives your natural lashes an illusion of perfectly curled lashes with added definition. It is a great alternative to eyelash extensions, as it requires very little maintenance and has long lasting results.

Lash Extensions

Express £36
 Express lashes are a temporary lash treatment and are a quicker alternative to classic lash extension treatments. They are not individually bonded so it is important that they are only a short term set to avoid natural lash damage. They last 2-3 weeks and require no maintenance.

Classic £45
 Classic lashing is a technique in which a single extension is applied to one isolated natural lash. Classic lashes are perfect for adding length and some fullness to your natural lash line. After your initial full application, you will require 2 weekly top ups to keep your lashes looking their best.

Hybrid £55
 The Hybrid technique is a combination of two different lash application techniques rolled into one set of lashes. At Enhance we use a mix Classic and Russian Lash techniques in our hybrids. After your initial full application, you will require 2 weekly top ups to keep your lashes looking their best.

Russian £65
 Russian lashes are ultra-fine synthetic lashes that are made from the same soft fibre as classic lashes. Because they're much thinner, the therapist is able to apply more lashes to each natural lash – anything between 2-8. Russian lash extensions are applied in a fan-like shape, which gives more volume too. After your initial full application, you will require 2 weekly top ups to keep your lashes looking their best.
