

Team Journey

Use hand sanitiser, Put on mask & Check temperature before entering

Wipe electronics and place all personal items into the box provided

You must only have the bare essentials in your area as everything must be cleaned between clients.

You should be wearing an Apron, Mask and Visor at all times

Meet your client at door with a PPE pack and show them to your area.

Developing time should be used to write notes, make next app, talk retail

At the end of app, take any extra payment at section and take picture on salon phone

You then have 15mins to clean area, change apron, set up, mask & water break.

Enjoy your day!
